

December 2019 Newsletter

Dear Parents,

Winter has certainly descended upon us now and students, for the most part, are looking particularly smart in their winter uniforms. Photographs were taken in PYP, MYP, American and DP last week so there has been a campaign on uniform compliance which will continue in the New Year.

We want our students to be proud of themselves and their school. We expect all students from Foundation to DP1 to present themselves in a way that reflects our high expectations.

Our 'Keeping Egypt Warm' campaign has been well supported by the American section community & DP students. We are still taking contributions of children's clothing so please continue to send new and good quality (to be handed in MYP Reception), used items to school this week so that we may work with the Egyptian Clothes Bank and ensure that Children in Egypt's poor communities have a set of warm clothes to wear this winter. They are also working on blankets campaign for the surrounding community. Fundraising plans will be announced during morning Assemblies.

This week will conclude a busy first term. For some students this will mean a well-deserved break, for others this will signify the commencement of concerted study time prior to important, upcoming midyear examinations. For all, it should mean a chance to change routine, enjoy time with family, welcome in a new decade and prepare for an even busier second term.

3rd Instalment FEE PAYMENT: All parents have received a letter reminding them of the importance of settling second instalment fee payments before this term draws to a close. It is timely formed to remind you of this obligation once again.

Let me take this opportunity to wish you all a warm and wonderful winter break. We look forward to welcoming everyone back for the commencement of Term Two on Sunday 12th of January 2020.

Yours faithfully,
